Beste ,

We zijn al weer vele e-mail berichten verder; ik geef een tussenstand met het onderstaande bericht van de advocaat van Boeing/El Al. Door de geheimhoudingsverklaring in de overeenkomst met Boeing/El Al hebben we nu toestemming nodig om aan de Staat informatie te kunnen geven in de Rampenfondsdiscussie. De Staat wenst inzicht in de door de gemeente getroffen regeling met Boeing/El Al alvorens de minister kan beoordelen of hij bereid is tot een vergoeding.

Groet,

Beste

Onderstaand tref je de reactie aan van namens El Al en Boeing op mijn verzoek om de inhoud en achtergrond van de deal aan de staat te openbaren.

Het is vervelend dat zij aan hun consent voorwaarden verbinden, maar anderzijds ook wel weer begrijpelijk.

Ik stel voor dat ik snel in contact treed met de landsadvocaat om te bezien of de gevraagde verklaring kan worden verkregen.

Eens?

Dear

This email is written to you in English, so as to enable my English speaking correspondents to read a copy thereof.

Reference is made to your letter of 28 September 2004.

Boeing and El Al are willing to give consent to disclosure of the Release of All Claims and Settlement Agreement to the attorney of the State of the Netherlands (*Landsadvocaat*), under the condition that the Municipality obtains, and provides us with a copy of, a written statement from the State to the effect (i) that the State will keep the terms of the Release of All Claims and Settlement Agreement confidential and (ii) that any payments made by the State to the Municipality will not give rise to claims by the State against Boeing and El Al.

I suppose the Municipality is aware that such a statement is also in its own interest, in view of the indemnification in article 3.2 of the Release of All Claims and Settlement Agreement.

The consent by Boeing and El Al shall be limited to the terms of the Release of All Claims and Settlement Agreement itself and shall not extend to the negotiating history, such as, for example, correspondence written during the negotiations. If there is anything in the negotiating history that the Municipality would like to disclose, we would like to know in advance what it is, in order to determine our position on an informed basis.

As you know, I will not be in the office next week. If you would respond to this email next week, I will try to respond to your response in week 44.

With kind regards,

Advocaat
