Dear 10 2 ,

A happy new year to you too. As you are aware, Minister Kaag and the Commissioner General had a phone call yesterday.

She communicated to the CG that she has requested internally to advance payments. Do you already have more information regarding timing?

Thank you very much.

Best,

10 2 e

Dear 10 2 ,

First of all a Happy New Year to you and your colleagues as well from the Netherlands !

Secondly, many thanks for your below request. Fully understanding the precarious financial situation of UNRWA, we will do everything to expedite the approval and the transfer of the 2018 Dutch core-contribution to UNRWA. Next week, when everybody is fully back on board after the Christmas holidays, I should be able to get you an estimate timeline concerning your request.

I can't guarantee that we can make the requested date of 20<sup>th</sup> of January, but we are certainly aiming for the end of the month.

Will keep you updated, once I have more info next week.

Warm regards

10 2

Dear 10 2 e and 10 2 ,

I hope this email finds you well after the Christmas Holidays, and I wish you a Happy New Year!

In the absence of 10 2 e I am writing to ask if it would be possible to advance the disbursement of the Netherlands' annual Programme Budget contribution to as early in the year as possible. This would be important for the Agency in order to avoid cash flow issues and to cover payments that had been deferred due to last year's financial difficulties. It would be tremendously helpful if funds could be received as soon as possible, ideally no later than 20 January. In this light, I would be very grateful if you could confirm the timing and amount of the Netherlands' contribution.

Thank you very much for your consideration.

Best regards,

10 2
