| Subject | Informal and confidential discussion on issues relating the foreseen policy proposal for the organization of the Dutch railway market from 2025 |
| Date of meeting | 7 May 2020 |
| Time of meeting | 11.00-12.30 h |
| Meeting location | digital |

The purpose of our meeting is first to elaborate on the foreseen policy proposal for the organisation of the Dutch railway market from 2025. The State Secretary for Infrastructure and Water management will expect to present her proposal to the Cabinet and Parliament in June. **10.2.a**

[Redacted text block]

Since the proposal is not presented to Cabinet nor Parliament, the nature of our meeting is confidential. We assume this is not a problem for the European Commission. If it is, please let us know beforehand.

We propose the following agenda:

Agenda

1. Opening of the meeting
2. General characteristics of the Dutch railway market (**10.2.e**)
 - Short recapitulation of the presentation on the Dutch Railway market, presented during the workshop of October the 10th.
3. Foreseen policy proposal railway market from 2025 (**10.2.e**)
 - Elaboration of the proposal for the organization of the Dutch railway market.

4. Open access in Dutch context (10.2.e and 10.2.e)
- Implementation of open access, both domestic and international.
