

A hand-drawn diagram of a rectangular field, possibly a sports field or a plot. The field is divided into a grid by vertical and horizontal lines. A large 'X' is drawn across the field, formed by two diagonal lines. The text 'S/15' is written in the center of the field. There are several small circles or dots scattered throughout the field, some of which are connected by lines. The diagram is drawn on a piece of paper with a grid background.
