Dear **Art. 10 (2) (e)**,

It is with regret that I have to inform you that the project leader, **Art. 10 (2) (e)**, has resigned from his position as project manager Container Lifting Truck. **Art. 10 (2) (e)**

For the time being, his tasks as a project manager will be taken over by me, Programme Manager Operational Wheeled Vehicles, **Art. 10 (2) (e)**. The other project team members will remain in place.

Until further notice, the meeting schedule remains in place. All correspondence should be send, as usual, to the contract manager **Art. 10 (2) (e)** ([\[redacted\]@mindef.nl](mailto:[redacted]@mindef.nl)) and myself ([\[redacted\]@mindef.nl](mailto:[redacted]@mindef.nl)).

I look forward to a more close cooperation and a successful continuation of the project.

With kind regards,
