B] Quality Management Plan V3.1 November 2020

Dear Art. 10 (2) (e),

I herewith declare that there is no objection against the execution of the QMP (according to reference B) which has been provided to the State for a certificate of no objection as part of the Agreement as mentioned in reference A.

This declaration of no objection shall not affect the obligations of the Supplier regarding the delivery of goods and services conforming to the Agreement as mentioned in reference A.

All terms and conditions of the Agreement as mentioned in reference A remain unchanged.

With kind regards
